

## Nature Activity Number: E 005

**Activity Name:** Rock On!

**Activity Objective/Purpose:** Nature awareness

**Equipment Needed:**

Rocks, one for each camper (not supplied)

**Activity Description:**

Have everyone find or choose a rock from a pile. Get to know your rock.

How does it feel?

How many sides does it have?

What color is it?

Does it have any marks on it?

Is it heavy or light?

Have everyone put their rock in a bag. Mix up the rocks. Each person must then find their rock. How easy is it to find a particular rock? How is one rock different from another rock?

Optional activity:

This is an excellent activity to use during a Guides Own or Reflection Ceremony or as an activity in diversity awareness.
